

Best Family Lawyer Abbotsford

Best Family Lawyer Abbotsford - Our firm could be of assistance when the loss of inheritance is caused by a different person victimizing a vulnerable, elderly person. The elderly are vulnerable to being fooled into making gifts, changing their wills, or getting married to caregivers due to their absolute reliance on various individuals. If this takes place, our firm can help challenge the changes done to the will.

In cases where a family member can no longer comprehend how to manage their accounts or maintain their health, we help the family obtain the powers of attorney through court.

We follow the laws laid out by the Substitute Decisions Act, whenever an individual becomes incapable and we can apply to the court to allow an appointment of our client as the guardian of the indisposed individual. Afterwards, the elderly person has the comfort of knowing that their personal care, finances and property are being dealt with by the appointed family member.
