

Real Estate Lawyers in Abbotsford

Real Estate Lawyers in Abbotsford - Our firm has a wide experience base with our areas of knowledge being in development projects, local government approvals, commercial leasing and sale, and purchasing and financing.

Our firm's client base includes both local and international clients. These comprise lenders and borrowers, co-operatives, educational institutions, contractors, local and international developers, forestry, hospitals, local government, purchasers and vendors, partnerships and other investment syndications, real estate agents, retail, managers and manufacturers. We have knowledge in different projects, from office work and industrial centers to shopping centers and residential estates.

Various city officials would depend on lawyers as their principle advisors about real estate expansion and the options and priorities the city has about local government restrictions and relations. The data we provide is essential to the negotiations between our client and the local government.

In addition, our group can consult with various lawyers within the Tax groups, Environmental, Financial Services and First nations to make certain that the advice we provide is accurate. If any disagreements or disputes happen during the proceedings, we have a selection of mediation, arbitration and litigation lawyers available to help our clients.

Many our firm's lawyers have received many local and national awards for their work. Efficiency, accuracy and quality are just some of qualities represented by our world class group. We utilize all of the resources offered to us to ensure our clients have all of the assistance and information they need to take advantage of the real estate market.
