

Tax Lawyer Abbotsford

Tax Lawyer Abbotsford - Taxation takes up a significant part of our Office. Our lawyers are seasoned veterans in the areas of corporate, personal, estate, and international tax planning. This consists of, but is not limited to, limiting and assessing the damage caused by corporate reorganization, mergers and acquisitions, public and private financings and commercial transactions.

One of the services which our firm offers is the preparation, submission, and negotiation that is involved to apply for advance tax rulings. Our lawyers are there for each and every step of the tax appeal process, from the preparation and filing of the notice of objection all the way to the subsequent trials and/or appeals. Clients can be guaranteed that they would be completely represented in all matters of transactions carried out with the tax authorities.
