

Abbotsford Legal Aid

Abbotsford Legal Aid - Our company specializes in Education and Public Law, advising and representing a lot of school boards and educator organizations on the various legal matters affecting them.

Some of the legal services we offer in education law and public law are labour and employment relations, contract negotiations, commercial, general and civil litigation, human rights, special education, judicial review and appeals, administrative law, freedom of information and privacy law, health law, constitutional law and conflict of interest law. We likewise advise and act on behalf of educator clients in aspects of corporate-commercial, like real estate law, construction law and municipal law.

To be able to help educators in handling difficult issues facing them, we offer timely, comprehensive and effective assistance.

Our clients include public and Catholic school boards, Ministries of Education, agencies and boards and governmental commissions. Our Education and Public Law practitioners work closely along with experts in our Real Estate group and Business Law Group.

Our company and our lawyers are usually called upon to make presentations at national conferences and in-service seminars. They often publish articles regarding education and public law in magazines and journals.
