

Real Estate Lawyer Abbotsford

Real Estate Lawyer Abbotsford - The Real Estate Development lawyers at our firm can help our clients on matter related to major commercial real estate development projects. We have played a major part in negotiating complicated co-ownership, joint venture and partnership structures. We are here to assist throughout the whole development procedure. We help clients with take-over financing, development approvals, final contract negotiation and environmental compliance advice.

We have represented a lot of the largest insurance lenders in the transaction of real properties, in addition to representing and working with pension funds, credit unions and chartered banks. We have a tremendous amount of skill in commercial real estate transactions and project financing. We have accumulated extensive skill through our involvement in some of the largest commercial real estate transactions and financing arrangements in the nation. Ownership structures like for example limited partnerships, joint ventures, corporations and syndications fall in our field of knowledge. We are well versed in financing instruments, including leasehold financing, mortgage bonds, mortgages as well as various secured financing arrangements.

We provide services to investors and developers of multi-unit residential and commercial properties, comprising shopping centres, residential, industrial and commercial projects. We count among our client's individual owners and investors, private and public businesses, trusts, pension funds, foundations and life insurance companies.
