

Abbotsford Real Estate Lawyer

Abbotsford Real Estate Lawyer - Our firm has vast knowledge dealing with all aspects of commercial real estate. Our legal professionals have the expertise and knowledge to lead our clients through a variety of cases. We have built some long term relations together with our clients, which consist of life insurance companies, lending institutions, crown corporations, various levels of government, contractors, land developers, asset managers, property managers, tenants and landlords.

The portfolio and asset managers and/or legal department of big corporations rely on members of our real estate group to advise them concerning the administration, acquisition and development of cross-country real estate portfolios. Interaction between our real estate experts and professionals from various disciplines is common to be able to ensure that our clients be given quality service. Some of the different disciplines comprise merger and acquisition transactions, secured lending transactions, huge project and infrastructure financing transactions, and public-private partnerships.

The full service nature of our practice, along with the expertise and experience of the experts who work for us, allow us to quickly and efficiently come to a sensible resolution to all of your legal real estate requirements.
