

Real Estate Lawyers Abbotsford

Real Estate Lawyers Abbotsford - Our company's Real Estate lawyers can assist the various owners, investors, landlords and tenants through all the levels of real estate law and transactions. Our litigators are situated all around the country, able to assist numerous clients with all kinds of real estate transactions, for owned and leased real estate assets. We also assist offshore clients with the acquisition of real estate meant for investment or development. Our group offers efficient, cost-effective and timely services to assist our clients reach their business objectives. We are well-known for providing legal innovative solutions of the highest quality.

Our client base comprises retail and commercial users, financial institutions, other capital providers, property owners, developers, managers and real property users. Also, we can assist in commercial real estate purchases and sales; commercial leasing; commercial development (like for instance subdivisions and condominiums); title insurance; financing and mortgage; construction and environmental issues; dispute; and foreclosure. Our services include arranging equity or debt financing; negotiating sales or purchases; resolving other disputes and foreclosures; structuring joint ventures or partnerships; and assisting with the management and development of property.

We have earned a great deal of respect in the field in real estate law. For lending clients, we give comprehensive mortgage enforcement and default portfolio management services. Our lawyers are considered to be top experts within title insurance. We are often called upon to present on real estate topics before various clients and industry associations.
