

Abbotsford Tax Lawyer

Abbotsford Tax Lawyer - Our firm specializes in the handling the several tax disputes issues and has significant knowledge in tax litigation. A lot of companies need our assistance to help them negotiate with tax authorities. We normally represent them before the courts on tax appeals.

Capital, income, commodity, and mining trade cases or taxation are all situations where our office is experienced and knowledgeable. By utilizing all the resources which we have on hand, we ensure that our client is totally prepared to deal with information requests, audits, voluntary disclosures and reassessment proposals. Our tax solicitors normally call upon our tax litigators early on so as to advise our clients concerning the tax aspects of a transaction. Should a reassessment be unavoidable, we try to resolve the dispute using administrative appeals. If this approach does not obtain favorable results, we try to simplify the condition previous to starting the litigation procedure. Our foremost objective is to be able to help our clients come to a resolution efficiently and quickly.

We have represented recent cases that included tax avoidance, transfer pricing, and interpretative questions. These particular questions include experimental development and scientific research expenses, taxable benefits, foreign exchange, and payroll and commodity taxes.

Our client base is formed by both domestic and foreign companies. These consist of several well known public institutions and partnerships, tax-exempt businesses, and several businesses in the areas of financials, telecommunications, utilities and pharmaceuticals. We guarantee that a close working relationship is maintained on both a national and international level along with chief financial officers, accountants, tax executives and tax advisors.
