

Family Law Firms Abbotsford

Family Law Firms Abbotsford - Disputes involving child custody and divorce can usually be emotional and can be rather confusing. Marriage can even be stressful and confusing. The law is designed to protect you, but for individuals who are experiencing major changes in their lives, there can be feelings of vulnerability and fear.

The lawyers in our Family Law firm can offer sound legal suggestion based upon our experience and knowledge in handling people in your similar situation. We can help you to know what lies ahead and what actions should be taken.

We help clients with the preparation of marriage contracts, cohabitation agreements and separation agreements. We help deal with pension or property division and spousal or child support. We are here if you need a divorce, a restraining order, access assistance and child custody, paternity help or a change of name.

Our Family Law lawyers work with the many business law and estate planning experts in our firm in order to help you get the results you deserve. In the numerous circumstances which need specialized knowledge, our lawyers have the right knowledge and expertise to help you during your difficult issues.

The objective of our office is to be able to help you get a fair, timely resolution by way of skilled negotiation. We also have a well seasoned Trial Counsel to represent you before the courts, in circumstances where negotiation is unsuccessful.
