

Wealth Management Abbotsford

Wealth Management Abbotsford - International and domestic clients have vied for our firms legal advice for more than a hundred years. We provide advice on several matters, ranging from estate and trust related disputes to complicated estate planning. Several of our clients consist of global groups and companies, but we also represent individuals with their trust and estate problems.

We are experienced and knowledgeable while likewise being a unique firm who concentrates on searching for cost effective and alternative solutions in order to help you achieve your personal goals. Our lawyers can help solve complex objectives concerning foreign beneficiaries and assets, providing for minors and disabled beneficiaries, and the succession of family businesses.

In addition, we help establish offshore and domestic trusts for international and local clients. These entities help our clients to be able to reach their present objectives while remaining flexible.

Special purpose trusts and business trusts are items which our firm has extensive experience in creating. Lots of First Nation people have established trust funds through us.

Our clients are people who want to legalize wills and trusts, deal with mental incompetence matters, and assist in the explaining legal documents regarding estates and trusts.

No matter what, the client's tax advisor works closing together with the representing lawyer to be able to ensure that the outcome is in accordance with the clients situation.
