

Securities Lawyer Abbotsford

Securities Lawyer Abbotsford - Our clients need our services to assist them in accessing both the public and private capital markets. We give suggestion about the accumulation of money in the applicable structures of securities laws, regulations, and policies. Both issuers and underwriters are part of our client base, searching for assistance with offerings of debt and equity securities. Moreover, we even represent investors and issuers concerning seed capital and venture capital offerings and private placements. Our company could likewise help our clients in meeting applicable continuous disclosure and annual meeting requirements.

Our office regularly acts for some law firms across the nation. We assist in the completion of cross-jurisdictional transactions, that normally requires us to analyze a transaction from the point of view of regulatory compliance, sending any required applications to the Securities Commission, and meeting with staff at the Commission.

National and local publicly traded issuers, independent corporate finance firms, venture capital funds, the securities divisions of law firms, chartered banks, investment counsel and portfolio managers, and mutual funds consultants are all amongst our diverse client base.
