

Abbotsford Accident Lawyers

Abbotsford Accident Lawyers - Our company of insurance experts provide legal advice concerning the broad range of problems of insurance to the several businesses in the insurance industry. These can comprise the defense of professionals, directors and officers; class actions, subrogated actions, fire litigation, product liability claims and personal injury claims. We offer the insurance business with legal counsel at all levels of the Courts and have assisted insurers in policy wordings.

We act in various property and casualty claims on behalf of Insurance Corporations and private insurers. Our goal is to offer clients with cost- effective solutions to insurance claims.

We provide corporate suggestion to insurers. Our long-standing relationships with numerous international and local insurance market insurers enable us to provide the insurance business with cost-efficient and professional counsel.

Professional Liability

We help in the development of professional liability policy wordings for accountants, engineers and architects, providing opinions and counsel concerning coverage and coverage disputes in these fields.

Municipal Liability

Our partners advise about coverage issues and policy wordings for local government members and their Commissions and Boards, in addition to offering counsel and coverage matters on their behalf. We also act for municipalities in liability actions happening out of fire associated losses and code enforcement.

Directors' and Officers' Liability

We have dealt with coverage problems as control counsel for D&O carriers. The claims against officers and other directors are quickly and efficiently handled.

Builders' Risk

We are involved in litigation related to faulty workmanship, materials, and design exclusion in builders risk policies.

Insurance Fraud

We act for insurers in matters connected to insurance fraud consisting of offering coverage advice, defending the denial of fraudulent claims, and advancing claims on behalf of insurers against insureds and third party service providers.

Fire Losses

Our fire loss service is expert at delivering services in the most effective and focused manner in practically every aspect of fire related claims. We provide coverage advice as well as manage fire litigation from the preliminary investigation to the case preparation and presentation phases. We represent insurers when claims of subrogation and bad faith affect their direct interests.

Class Actions

Our lawyers have litigated numerous high profile class actions in cases that include insurance issues, product liability and financial services.
