

Criminal Law Abbotsford

Criminal Law Abbotsford - Our patent agents, trade-mark agents and lawyers have extensive experience in an array of problems regarding intellectual property. In particular, our lawyers are experienced in helping clients draft applications and in developing intellectual property strategies and helping our clients to draft applications.

Our law company has more than 30 years of experience, and our senior lawyer are renowned for their expertise and skill in handling intellectual property rights. We have slowly expanded our office over seas, in order to ensure that both our Canadian and international clients have the right access to intellectual property protection.

Intellectual property is very valuable in a knowledge based economy, especially as the globe is constantly in a state of transformation. By making use of our firm and our lawyer's innovative legal recommendation, our clients could realize the full potential of their intellectual property. Our advice likewise helps protect them against counterfeiting, competition and infringement.

We have numerous experts in our intellectual property Team, comprising professional PHDs, engineers and scientists who are leaders in patents, trade-marks, industrial design, copyright, and intellectual property disputes and agreements.

We make sure that each client is correctly matched with a registered patent and trade-mark agent to draw on their knowledge, ensuring that their intellectual property is well protected.
