

## Best Criminal Lawyer in Abbotsford

Best Criminal Lawyer in Abbotsford - Our teams of merger and acquisition lawyers offer expert legal suggestion in the many M&A transactions, from the beginning to the post-closing integration. Our skilled lawyers from our offices all around the nation have the practical expertise and knowledge required to deal with the most complex mergers and acquisitions. Our professionals have understanding of essential industry sectors - Automotive, E-commerce, Mining, Oil and Gas, Clean Tech, Technology, Manufacturing, Telecommunications, Banking and Financial Services, Transportation, Real Estate, Insurance, and Hospitality - as well as expertise in domestic and worldwide M&A transactions. Our M&A members maintain strong relationships with regulators and have in-depth understanding of the regulatory and legislative realm.

The clients which seek out our skill in all areas of mergers and acquisitions comprises numerous major international and domestic corporations, controlling shareholders, emerging companies, entrepreneurs, financial institutions, governmental entities, privately held companies, public companies, private equity firms, special committees and board of directors, and management buy-out groups.

The work of our M&A group begins with first completely understanding a client's business needs and goals. We expertly allocate and identify risk before negotiating, structuring, and successfully completing the transaction. Our focused and strategic approach applies to deals of whichever size and difficulty. We deal with each and every situation with dedication to excellence. Our aim is to successfully devise innovative deals and taxation structures which will exceed and meet client expectations.

For the complicated regulatory and legal environment around M&A transactions, specialized skill is critical to success of whatever endeavor. Which is why our M&A Group works really closely together with our company's multidisciplinary experts in tax, competition/antitrust, foreign investment, financing, employment and labour, pensions and benefits, intellectual property, real estate, environmental, international trade and customs, business immigration and government relations. If considered necessary, we provide extensive restructuring and insolvency skills so as to resolve challenges faced by distressed targets. When hostile situations associated to securities litigation matters or regulatory hearings occur, clients can count on our firm's experienced litigation team.

We conduct privately negotiated purchases of assets or shares, public company mergers and acquisitions completed by way of take-over bids, and amalgamations and plans of arrangement. Our clients benefit from the comprehensive and strategic recommendation given by our Private M&A and Public M&A lawyers, from the initial stages of a transaction through to post-closing issues. Our aim is to be able to provide solutions-driven transactional services in an inventive and reasonable way to reach your business goals.
