

Criminal Defence Lawyer Abbotsford

Criminal Defence Lawyer Abbotsford - Defamation law is just one of the many services our information law practice provides. Any enterprise or individual in the distribution of information would at some time require legal advice to avoid defamation.

Our firm is skilled in responding to the requirements of our clients in the media trade, whether it be information that is in black and white or electronically transmitted. Our client base is varied, ranging from publishers to universities and municipal governments.

Although our lawyers are skilled in litigation, our company emphasizes the benefits of risk management and foresight. The greatest way to solve whichever issues concerning defamation is to prevent it completely. Institutional clients, along with businesses and individuals, utilize our suggestion and resources to control risk and to structure the content of press releases. When dealing with sensitive information, health authorities, universities and school boards request our advice on how to release it to the public.

In situations where litigation is not appropriate, our lawyers are also knowledgeable in mediation. When required, our lawyers can offer advice about printing published clarifications, retractions and apologies, as well as the handling of complaints in general. In situations where there are any insurance coverage issues, our experience with the information trade enables us to advise our clients on whether or not they should include an underwriter.

It is extremely important to act quickly and efficiently when dealing with defamation to be able to prevent permanent damage. Our firm has numerous defamation lawyers to make sure our clients have instant access to the advice they require.
