

Injury Lawyer Abbotsford

Injury Lawyer Abbotsford - Our Class Action Group provides advanced assistance related to the provision of class action advice and representation. With several headquarters all over the country, we can provide flawless national coverage. We have strengths in substantive fields of litigation. Along with several years of practice with the complicated procedural areas of class actions, our group offers innovative approaches and sufficient resources so as to meet the needs of clients. We offer risk management in order to avoid class actions, settlements or defense of claims. Our Class Action Group is prepared with strategic responses from the identification stage through to execution.

More than the law

Class actions defense covers more than only the law in the eyes of class action defendants. A class action may consist of lots of problems including client reputation, financial cost, employee and customer relations, public relations and management of time. Our group knows those problems and brings a client-centred response to bear on the matter. We have experienced legal talent, combined with insight into our clients' requirements. Our clients always comes first.

We work together with our clients' marketing, human resources, public relations, and financial experts to fully know their corporate priorities. We secure the very best experts. Our focus is on timely resolution with cost-efficient and effectual response times. Our defense litigation approach consists of client and customer relations.

Expertise and Resources

We have a great deal of resources to help bring our clients' class action proceedings. For any class action defense, innovation methods are important. Our multidisciplinary class action group builds knowledge in the underlying topic of each action, that assists in the setting of strategic objectives and ultimately achieving optimal results for the client. With specialized know-how we successfully conduct the complex procedural aspects of class action cases. We have provided advice and services associated to the subsequent class action aspects: financial insurance and services, product liability, employee and pensions benefits, shareholder and securities actions, pharmaceuticals, health care and environmental liability.
