

Civil Lawyer Abbotsford

Civil Lawyer Abbotsford - Our company has numerous civil litigators who have the needed skill and expertise to deal with any litigation matters which they might be confronted with. Our lawyers are highly respected within the legal judiciary and community and are fully qualified and well-equipped on lots of litigious problems before all levels of administrative tribunals and Courts, commissions and agencies.

Our objective is to assist our clients in structuring their affairs so that litigation could be prevented when reasonably possible. Where litigation seems inevitable, there are alternative means we can pursue along with clients in order to lessen legal expenses. We have extensive knowledge in alternative dispute mechanisms like mediation and arbitration.
