

DUI Lawyer Abbotsford

DUI Lawyer Abbotsford - Our company's Intellectual Property Law Team understands the significance of protecting your company's intellectual property (or otherwise called IP). We assist various clients in enforcing, establishing and monitoring their intellectual property rights. With our 30-year history of knowledge within intellectual property law, our IP Law Team offers practical, flexible and responsive help.

We have an international business and legal network with the resources to advise you and provide help on intellectual property law, whether the origin of your intellectual property is overseas or North America. Making use of our network of reliable offshore agents, our own team can help process your applications and cases in a more timely and cost-effective way. We offer services related to trademark, copyright, patents, industrial design, licensing and plant breeder's rights.

Our business law lawyers and agents are all registered to practice before the Patent and Trademark Offices in order to assist our clients.
