

Abbotsford Injury Lawyer

Abbotsford Injury Lawyer - Our firm's Class Action lawyers are knowledgeable and experienced within both advancing and defending class actions. The fairly plaintiff-friendly nature of class action legislation has resulted in the start of class proceedings that are national in scope. We have a well-developed network of relationships along with class action counsel within other provinces, enabling us to mount a coordinated method in cases where parallel proceedings have been commenced in other jurisdictions.

Usually, class actions tend to create more financial exposure and a higher level of public scrutiny compared to different kinds of proceedings. Our teams of lawyers have been involved in various class action suits, like taxation, securities, product liability claims and insurance. Our clients benefit from our depth of skill and extensive resources.
